Dear Father McCloskey,

I wish to thank you for hosting *A New Language Study Series* at the Catholic Information Center. I understand that this four-part group study series has been well attended and well received by many professional men and women over the past year.

It is always gratifying when people have the opportunity to learn more about the truth and meaning of human sexuality and marriage, particularly from Our Holy Father's *Theology of the Body*.

I thank you for all the work you do especially in this area. It greatly supports my recent Pastoral Letter *The Fullness of Life* in which I call on all of us to do more to promote the truth of human sexuality. I hope that you will continue to promote programs such as these in the future. .

With every good wish and assurance of my prayers, I am

Fraternally in Christ,

Archbishop of Washington
